SELECTMEN'S REPORT.

RECEIPTS.

Your selectmen, on their election in March last, found that instead of $1,069.58 cash in the treasury, as was stated in open town-meeting, certain orders had been given to the amount of $240.07, and the new treasurer, John B. Haseltine, refused to accept those orders, and after a long delay, by advice of counsel we received and receipted for the papers and the balance in cash, which we paid over to the treasurer.

CHARLES E. JOHNSON,
JOHN PERKINS, JR.,
Selectmen.

ALLENSTOWN, March 1, 1884.

We, the undersigned, have examined the foregoing accounts of the selectmen, and find them correctly cast and properly vouched, with the exception of such accounts and statements of expenditures as depend upon repairs to the highways made by the selectmen during the past year, about which we are in doubt as to whether the selectmen had any lawful right to make repairs at the expense of the town.

WILLIAM HASELTINE,
EPHRAIM LOCKE,
Auditors.

TREASURER'S REPORT.

Abstract of the report made by the town treasurer to the auditors of the town of Allenstown.

EXPENDITURES.

Paid on one hundred and two orders drawn by the selectmen, amounting to . . .	$6,058 11
Balance in treasury	$1,591 54

A full list of the orders paid as above is on file in the office of the town clerk.

Certain other orders drawn by the selectmen were presented and payment refused, on the ground that the orders

were drawn without right, being for repairs to highways made by the selectmen, the highway tax not having been expended or collected, and the selectmen not having appointed any surveyors of highways, as required by law, with authority to collect said tax.

JOHN B. HASELTINE,
Treasurer.

We certify that the report of the treasurer, of which the above is an abstract, is correctly cast and properly vouched.

EPHRAIM LOCKE,
Auditors of Allenstown.

SCHOOL REPORT.

The superintending school committee of Allenstown respectfully submits the following report for the year ending March, 1884: —

The whole amount of money raised by tax for the support of schools	$1,333 50
Literary fund	55 08
	$1,388 58

TEXT-BOOKS USED.

Franklin Readers, Watson's Speller, Greenleaf's Arithmetic and Algebra, Mayhew's Book-keeping, Colburn's Arithmetic, Harvey's Grammar, Monteith's Geography, Goodrich's History, and Townsend's Civil Government.

DISTRICT NO. 1.—PRUDENTIAL COMMITTEE, ALBERT WHITTIER.

Summer term, Miss Hattie A. Marden of Pembroke, teacher. Length of term, six weeks; whole number of scholars, six; average attendance, four; wages of teacher, including board, $23.00.

Second term, Miss Nellie M. Marden of Allenstown, teacher; length of term, twelve weeks; whole number of scholars, four; average attendance, three; wages, $25.00.

These teachers are both quite young, Hattie being a beginner in teaching, and Nellie having taught but one term before. They are both fine scholars, and well endowed with natural capabilities for the discharge of the duties which such a position imposes, but the school is so small there seemed little chance for them to develop their

powers. Both acquitted themselves with honor. The register shows a large list of visitors in the school each term.

District No. 2.—Prudential Committee, Eugene G. Cate.

Summer term, Miss Addie J. Thorne of Candia, teacher. Length of term, seven weeks; whole number of scholars, three; average attendance, three; wages, $18.00. Miss Thorne taught this school both terms last year, which is evidence of having given good satisfaction.

Autumn term, Miss Alice A. Watson of Candia, teacher. Length of term, nine weeks; whole number, three; average, three; wages, $18.00. This was Miss Watson's first effort at teaching.

I was much pleased with both of these teachers, the appearance of the scholars, and to find in this district all things "calm as summer evenings be."

Your committee is more than ever convinced that this and District No. 1 should be united in one district. It would afford better schools, because it would give more scholars and more money.

On the Roll of Honor we find the names of Frank J. Cate and Ocemus B. Cate.

District No. 3.—Prudential Committee, James C. Marden.

Miss Nora F. Knox of Pembroke, teacher. Length of summer term, ten weeks; winter term, twelve weeks; whole number of scholars, nine; average, seven; wages, $24.00. Miss Nora more than met the expectations of all the district, and your committee would unite his praise with all the other friends. A fine showing was made on the last day, and a goodly number were present. A working teacher and willing students will always insure a prosperous and profitable school.

Burton J. Marden is the only name on the Roll of Honor.

DISTRICT NO. 4.—PRUDENTIAL COMMITTEE, JOHN D. SWEATT.

There have been three terms of twelve weeks each in all the schools in this district.

GRAMMAR SCHOOL.

Miss Jennie E. Haseltine, teacher. Whole number of different scholars for the year, twenty-seven; average, eighteen; wages, $34.67.

The following names stand recorded on the Roll of Honor: Lizzie S. Ames, Delphine M. Lacasse, Alice B. Smith, Grace E. Smith, Edith A. Stearns, Linnie M. Sweatt, Della G. Swain, George A. Young, Alphonso W. Lacasse. For the entire year, Lizzie S. Ames, Delphine M. Lacasse, Edith A. Stearns.

INTERMEDIATE SCHOOL.

Miss Etta M. Stearns of Allenstown, teacher. Whole number, twenty-seven; average, fifteen; wages, $28.00.

On Roll of Honor: Elva E. Cass, Albert G. Duby, Nina B. Fife.

PRIMARY SCHOOL.

Miss Emma Chapman of Greenland, teacher. Whole number, thirty-nine; average, twenty-eight; wages, $28.00

On Roll of Honor: Frank Young, William Greenwood.

The teachers in this district are all well known to the citizens, and need no words of commendation from me, and I am now too old to be found guilty of flattery; but I feel it to be my duty and pleasure to say they have all attended faithfully to their work, and a manifest improvement has been the result. We cannot say, as was said last year, that they "have given perfect satisfaction," for it is very difficult to maintain our self-respect and manfully meet the obligations growing out of any of the responsible positions of life and please everybody; but all the teachers in town have done well, and given general satisfaction. Our great

regret is, that with ample facilities to accommodate all the children of lawful age, only about one-half have attended school two weeks or more for the past year; and it surprises us beyond expression that our French population does not see the necessity and advantage of sending their children to these schools. There is great demand for French clerks, but unless they can read and write the English language, and are good in figures, they are not competent to take these paying positions. Surely, self-interest should prompt all to make the most of these opportunities. A few families understand this matter well, and are giving their children this indispensable pre-requisite to successful business enterprise; and no children learn faster or better. Your committee has endeavored, by personal appeals to the parents, to awaken a new interest in behalf of our common schools.

H. H. HARTWELL,
School Committee.

THE MAGICAL REMEDY

For Coughs, Colds, Hoarseness, Sore Throat, Bronchitis, Bronchial Catarrh, Croup, Whooping Cough, Canker, Asthma, and all Throat and Bronchial Affections.

FOUR HUNDRED NEW ENGLAND CLERGYMEN have given voluntary testimonials as to the superiority of *Dr. Warren's Wild Cherry and Sarsaparilla Troches* over all other remedies of the kind.

Instantaneous Relief in all Diseases Affecting the Mucous Membrane.

Dr. Warren's Wild Cherry and Sarsaparilla Troches are perfectly safe, containing no injurious drug. No one who has once used them for relief of cough or cold, sore throat, catarrh, hoarseness, or any throat or bronchial trouble will be willing to do without them. No other remedy ever produced such magical effects. Those who use them for the first time are astonished at the result.

"The Inference is Plain."

Rev. Jairus Ordway of Salem, Conn., says:— "I took cold, and it grew worse, with diseased lungs and a persistent cough. I took my best cough medicine, and coughed on. Then I tried Dr. Warren's Wild Cherry and Sarsaparilla Troches, which have brought relief and sleep. The same thing has been repeated, the cough prevailing over other remedies until the Troches were taken, when relief was obtained. The inference is plain — I shall use the Troches."

"I Know They are Wonderful."

Dr. William Cummings of Rockland, Me., says:— "In my opinion, Dr. Warren's Wild Cherry and Sarsaparilla Troches are the best known remedy for all diseases for which they are recommended. I will gladly do all in my power to favor their sale. I recommend them to every person suffering with throat or lung trouble, for I know they are wonderful."

"Permanent Benefit."

Rev. J. C. Emery, M. D., Lowell, Mass., says:— "Dr. Warren's Wild Cherry and Sarsaparilla Troches are the best for throat troubles of any remedy yet tried, allaying irritation, cough, tickling, etc., almost immediately, and working permanent benefit."

"After a Trial of Many Months."

Rev. R. H. Howard of Millbury, Mass., formerly of Saxonville, says:— "Dr. Warren's Wild Cherry and Sarsaparilla Troches afford, under the circumstances, the only effectual, real relief. I cannot afford to do without them. I stand by all I have written in favor of the Troches in times past, after a trial of them of many months. They are an invaluable remedy. They work like a charm."

Catarrh.

Rev. C. P. Nash, Universalist pastor at Camden, Me., who had long had a catarrh trouble affecting the throat, making it difficult for him to speak in public most of the time, and almost impossible to sing, after using three boxes of Dr. Warren's Wild Cherry and Sarsaparilla Troches, wrote:— "Nothing I ever used did me so much good. I received manifest benefit at once and continuously, and now I speak and sing with an ease and clearness of voice I have not known for 25 years."

"Relief Immediate."

Rev. H. G. Carley, Prospect, Me., says:— "For a cough, or any irritation of the throat and lungs, I have never found anything equal to them. The relief is immediate."

"Sore Throat and Cold in the Head."

The Rev. N. M. Hazeltine, West Stockbridge, Mass., says:— "I find Dr. Warren's Wild Cherry and Sarsaparilla Troches of increasing service to me. At first I simply used them to clear my voice temporarily when it became husky. Recently I have found them of great service when I had taken cold, and my throat was really quite sore, and they also gave relief when I had cold in the head."

"Remedy Without an Equal for Canker."

"I have been troubled with canker in the throat and mouth for five years. Have employed several eminent physicians, but have never taken anything that would afford relief as Dr. Warren's Wild Cherry and Sarsaparilla Troches. I believe them to be a remedy without an equal for canker.—W. P. Merrill, Paris, Me., October, 1883.
